In terms of Section 40 of the South African Schools Act No. 84 of 1996, the Parents/Legal Guardians are liable for school fees, jointly and severally, the one paying the other to be absolved. No decree of divorce and /or settlement agreement absolves the Parents/Legal Guardians from their obligation to pay school fees, which is a statutory obligation.

In the event of the person signing this agreement not being the natural parent of the learner, then such person assumes the responsibility of a parent as defined in Section 1 of the South African Schools Act.

The Governing Body/Administration of the school may by process of law enforce the payment of school fees – in terms of the South African Schools Act, parents are entitled to apply for financial assistance, if their financial situation warrants it.

In the event that the Governing Body elects to institute action for the recovery of any amounts due in terms thereof, the Parents/Legal Guardians:-

- accept liability for all legal costs incurred on the scale as between attorney and own client, inclusive of collection commission on any installments and any tracing agents' fees;
- hereby consent to the issue of an emoluments attachment order in the amount equivalent to the yearly fees levied;
- consent to the jurisdiction of the Magistrate's Court.

The Parents/Guardians agree that in the event of them defaulting in any payment due to the school, that the school may adversely list them with a registered credit bureau to obtain information on them.

Notwithstanding my/our signature(s) to this commitment form my/our obligation to pay school fees is a statutory obligation and not contractual.

In the event of any one installment in terms hereof not being paid on due date, then and in that event:-

- the full outstanding amount of school fees and any other amounts not yet due, will immediately and without notification or demand become due and payable;
- the Parents/Guardians will be liable for interest on all outstanding amounts at the maximum rate permissible in law.

Parents that default in their monthly payments will be charged 2% interest per month on their arrear account.
